Welcome to Fort Freedom!

We are so happy to have you join the Fort Freedom family. You are the reason we are here. Our goal is to Elevate you to Freedom!

Attached to this packet is your schedule, contact lists and email addresses to Fort Freedom staff. Also, you should receive your Fort Freedom Welcome Kit in the mail. We have put a few things together for you to get started and will explain the remaining Welcome Kit items as you get started with the program.

We will ask you to challenge yourself and stay 100% compliant with Fort Freedom's rules and regulations. We ask that you sign this welcome letter and submit it to the Experience Manager. This signed Welcome Letter is your **COMMITMENT TO *ELEVATE TO FREEDOM!*** If at any time you are not compliant with Fort Freedom's rules and regulations, you will be asked to leave the program.

Our team is staffed with individuals who have walked the same path or have guided fellow Veterans to a better lifestyle. Fort Freedom is a foundation-building, lifestyle-improving wellness program.

Although we are not required to comply with the regulations of HIPAA and patient privacy, we have decided to protect every Veteran under the same guidelines. We will always protect your anonymity.

If you choose to allow us to contact individuals regarding Fort Freedom items, we will require it in writing. If you elect to provide testimonials on behalf of Fort Freedom, we will have you sign a release form. Each of your individual treatment and lifestyle providers will operate under the same guidelines.

If you have further questions, please contact your Experience Manager. We look forward to the opportunity to assist you with your new lifestyle.

Elevate to Freedom!
